

# Divi & Tamarijn Aruba *All Inclusive*

## DIVI and TAMARIJN BEACH RESORTS

### SUSTAINABILITY POLICY

Divi and Tamarijn All Inclusive Beach Resorts consist of 497 rooms and 4 Suites. The resorts are located on Druif Beach, few minutes away from Oranjestad and surrounded by Aruba's finest and spacious beaches. The resorts feature 10 restaurants, 7 bars, multiple pools & Jacuzzi facilities, non-motorized sports, 2 spa's, 1 gym and 9-hole golf-course.

Divi and Tamarijn Beach Resorts regularly update its Environmental Management System. Divi and Tamarijn Beach Resorts implemented a strategic environmental action plan in accordance with the requirements of the Earth Check Standards as follows:

- To continue to practice environmental activities (actions) with associates, guests, and community involvement.
- To uphold ourselves to Aruban laws and following international best practices where possible.
- To continuously reduce, reuse and recycle non-renewable resources and to prevent en reduce pollution.
- To communicate this Environmental Policy to associates, guest suppliers and the community in general as a tool to help us meet our objectives ant targets.
- To continue to monitor, review, and improve year to year in the key performance areas of our Environmental Practices
- To protect local labour and to purchase local products and services with minimal environmental impact wherever possible.
