

The Palm Grill

Interactive Grill Restaurant

Welcome to Palm Grill restaurant.

Tonight your dining table will be your cooking top!
Take a second look at your dining table and you
will discover a ring in the stainless steel tabletop.

It Divides the cool dining surface from the **VERY HOT** cooking center.

All main Courses and vegetables are served raw to
grill on the center of the tabletop.

A Variety of sauces will be available on the table to
complement your creations
